25X1A9a REMARKS: Has been reviewed by D/Ec and I&SS.  
 [REDACTED] feels that the problem of "CIA  
 Publicity" through OIT should be handled as a  
 problem separate from agreement to participate  
 in the NSRB Mobilization Planning. He feels that  
 we should send one memo recommending participation  
 in these studies and another memo again setting  
 forth the need for policy guidance and clearances  
 for ORE negotiations with Commerce, S/PP and I&SS

believe that the memos prepared for your signature  
are appropriate for the problem confronting us.  
S/PP has discussed with Mr. Winters of I&SS,  
means of handling future negotiations involving  
ORE and non-IAC committees, conferences, etc.,  
and it is felt that satisfactory arrangements  
can be made.
